

American Lincoln

American Lincoln - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are known within the industry as providing durable and strong machinery which suits the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could supply warranty service, machines and parts for these types of scrubbers that have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results matter. Recently, this particular floor scrubber model has been used by the architects in different construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
