

Advance Sweeper Parts

Think about how tiresome it will actually be to tidy up your very own home after having a big party, with no aid from cleaning machines. Before, the time upholstery and carpets had the dirt beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning supplies of that time.

The man who established Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who really liked to work on electrical motors. After starting his business in 1906, he began to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the beginning was to own a worldwide company selling products internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner which can be operated by a single person in view of the fact that it just weighed 17.5 kilos! This creation came in a time where numerous cleaning machines were very big and needed at least 4 operators, hence, the Nilfisk C1 transformed everything and evolved the way we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment offer a brilliant solution to an existing problem; stuff get filthy and need to be cleaned frequently, without a lot of effort.

Slowly, the company Nilfisk-Advance expanded throughout the years. In the early 1980's the company grew more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the industry, aspiring to be an active global player in manufacturing professional cleaning machines. Nilfisk-Advance is currently located in all parts of the world due to gradually obtaining numerous smaller businesses to be able to grow their product portfolio and presence in new markets. They are really proud to present a range of cleaning solutions to suit every need.
