

American Lincoln Sweeper Parts

The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are recognized in the business as strong and durable machines that satisfies all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company who is currently likewise owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln can supply machines, parts and warranty service for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of various facility supervisors where efficiency and results count. Lately, this particular floor scrubber model has been utilized by the architects in various construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
