American Lincoln Scrubber Parts

The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the business as strong and durable equipment that meets all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln could supply warranty service, machines and parts for these kinds of scrubbers that carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency matter. Recently, this floor scrubber model has been used by the architects in different construction jobs like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
